# FAMILY-RUN LOCAL INDEPENDENT PHARMACY

We can dispense your medication in the original box or we can arrange home visits to discuss medication and then dispense the drugs into monitored dosage systems.

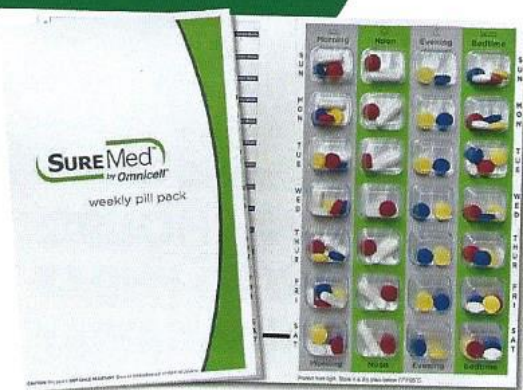

This packaging system divides a patient's medication into time-specific blisters, ensuring the patient takes the right medicines at the right time.

## TAKE ADVANTAGE OF OUR SERVICES:

- Repeat dispensing
- Disposal of unwanted medication
- Medicines use review
- New medicines service
- Travel advice
- Emergency hormonal contraception
- Minor ailments service
